

## See Line #8 on Price Sheet

## IN PARTNERSHIP WITH

The Compost Converter is a best selling home composter - with over 2 million sales to date.

The Compost Converter is strong and rigid in construction, needs no assembly and is very easy to use.

An extra wide hatch allows easy access to the finished compost or the Converter can be easily lifted off the compost heap.

Two sizes are available: the compact 220 litre and the large 330 litre.

Made from 100% recycled plastic and guaranteed for 10 years. Available in black or green (both with black side hatch).

Capacity (gal.)	Diameter ( <b>in</b> )	Height ( <b>in</b> )
58.2	29.2	35.4
87.2	31.5	39.4

Capacity (litres)	Diameter (mm)	Height (mm)
220	740	900
330	800	1000
